The draft legislation, Post-Employment Restrictions on Assistance to Foreign Powers, requires permission be granted to past employees by intelligence agencies to enter into a financial transaction or other relationship with a foreign power to provide training, materiel, advice, or other assistance relating to military, intelligence or security activities.

This legislation parallels getting manuscript approval prior to publication. Although inconvenient, it is necessary to protect the interest of intelligence agencies. Therefore, approval is recommended.

STAT

SUBJECT: Agenda for 18 March Executive Committee Meeting:  
Post-Employment Restrictions

1. The Executive Committee will meet at 11:00 a.m. on Thursday, 18 March, in 7D32 (DDA Conference Room), to review the attached General Counsel draft legislation regarding post-employment restrictions on intelligence agency employees. The DCI had OGC draft this proposal in response to Congressman Mazzoli's request during the Wilson/Terpil hearings.

2. The DDCI has requested the Executive Committee's views both on the draft legislation itself and its likely impact. This proposal is generally consistent with the DDCI/EXCOM guidance provided to the General Counsel at the 6 October 1981 Executive Committee session on this same issue. (See EXCOM 81-9053.)
